KATE and Dennis, children of Patrick J.

his vineyard would be attached. Successified sent more than 200 emigrants over here in the last four years, charging each 250 francs for advancing the passage money, and most of them had paid him back that amount.

After a recess from 1:30 to 5:30 the conniities called John B. Dyer, secretary of the Granite Cutters' National Union. He was a native of England, but had been in this country eighteen years. He knew of stone cutters having been brought over under contract to work. One George Berry, acting for Gus Wilkie, the con-Byrnes, were drowned in New York har-bor the other day by the upsetting of a row boat. The father was saved with Berry, acting for Gus Wilkie, the con-tractor, supplayed by the syndicate to build the new State Capitol at Austin, Tex., had brought over a number of atone cutters under contract to work on that job. DISPATCHES from San Francisco report the Arctic whaling fleet up to June 10, and the Japan sea fleet up to June 20. The Arctic fleet had only taken five whales and had probably struck the ice, for the dispatch stated the messon had been a hard one. The report from the Japan sea were coming and met them at Castle Gar-den, and three of them were taken before the United States district attorney, but he refused to act and they were allowed to go fleet stated that five whales had been

LUKE MULDOON and Pat Flaherty were wrestling at Cincinnati recently, when Flahorty got his neck broken. Dyer presented to the committee the affi davits of Charles Falconer and Robert GEORGE TAYLOR, a prominent St. Louis Maitland, two of the party, that Berry en-gaged them and a number of others at Aberdeen, Scotland, to come over here and cotton factor, is authority for the statement that the jute bagging manufacturers have for a do pool or trust and advanced the price of bagging from seven to eleven cents per yard, while there has been no advance in the raw material.

Duarso the last three or four weeks rein the raw material.

Duning the last three or four weeks reports have come from different parts of Southern Ohio of the prevalence in viru-lent form of a disease of the bowels re-

he said had been given by Herry in Aberdeen, as follows:

To the Monecutiers of Aberdeen:

AUSTIN, Tex., March 12, 1884.—This certifies that Mr. George Berry is in my employ constructing the Capitol building, State of Toxas, and that he is fally authorized to engage and bire 130 granite cutters and bring the same to Austin, Tex., to cut granite for the Capitol building at the lift of prices named below. Fayments on this work are made on the fifteening day of each month for all the work done in the month preceding. It will require eighteen months of steady granite cutting to cut comign stone to complete the building. Hisckannths are also needed in this work and their pey is forty cents per boyr or four dollars per day of tru hours. Each blacksmith sharpens tools for fitteen cutters. The fare for passage paid by me is expected to be returned out of carnings made by cutting by the min- to whom ear is advanced.

Contractor, Capitol Tuildies. CLOTTEN, the man who threatened Mr. THE Senate on the 30th passed the day in considering the Sundry Civil bill. The

Contractor, Capital Duildin

Dyer stated that when he found he co not stop the men here he notified the Knights of Labor at Austin and they now have a suit pending in the United States Court against the Capitol syndicate under the Contract Labor law. The Government farmished the contractors convict labor to quarry the stone and the granite cutters were asked by the quarrymen not to cut granite which was quarried by convict labor and then Wilkie sent over to guished without much damage. The residence of Mrs. McLaughlin was totally de-THE steamer Edward J. Gay, belonging to the Packers' & Merchants' Packet Com-Scotland for these men. Senator Farwell was the chief man of the syndicate and Wilkie represented himself as acting for the syndicate. He would not swear that pany of New Orleans, was burned to the Senator Farwell know of Wilkte's action playwright, died at Bloomingdale Asylum for the Insane, N. Y., on the 37th. He had

Russian Poland, next swore that the Bremen, Hamburg and Antwerp stessoship lines had agents there who persuaded peocompelling all sinigrants crossing the frontier to show that they had sufficient money to carry them through. To meet this difficulty the steam ship agents furnished emigrants with bogus exchange-drats which they showed at the frontier to the cause of the collision between the yacht Gleam and the steamboat Joppa in which Mr. T. Harrison Garrett lost his life on June 7, that Captain Torre. of the Gleam, was guilty of makiliful navigation and revoked his license.

The War Department on the 30th received a dispatch from San Carlos, Aris, stating that a party of Apache Indians had gone on the war path. Some fighting had taken place, a grating camp had been attacked and one ladian had been killed.

The other morning the steamer Belle-

One of the members of the late Emperor Frederick's personal staff, when he was only a Crown Prince, was Baron von Oveardon. He had a beautiful daughter, the Countess Marie, whom he wanted to many to an old nobleman who was improved to the counters of the marry to an old noncental was was the menusly rich and quite as sight. The Counters fell in layer with a desibility restrict the surgeon in the German asury. Else interied the surgeon and hat lather disinherited her. One night in the Cas surges was shot by an assassin. On his destined he told his wife that he was more his murderer was the rich old suitor, and he made her promise never to listed to his suit. The widow, with her sister and brother-in-law, widow, with her sister and brother in he came to America and took up their resident in Chicago. About a year ago a young to man prince alopped there on his way to? Francisco. In his retimus war as not a bleman and a young friend. They will upon the Countess and she recognised to did lover. He removed his said, but a repulsed him. Bits dreve them out of house, and the old lover varied wang as the birsed describes.

1883. Accompanying Maitland's affidavit, was the following printed circular, which he said had been given by Herry in Aber-

in importing this contract labor. The State of Texas gave the syndicate 5,000,007 acres of land and the labor of 500 convicts. Stanislaus M. Leslochouski, a native of As Deputy Sheriff Witt was reading a warrent to Fred Conway, a farmer living

and which were taken up again as soon as they had crossed.
